## LCEF MINISTRY MOMENTS VIDEO SERIES

### **Stewardship #1 – What Is Stewardship?**

Rev. Tom Eggebrecht

LCEF Vice President Ministry Solutions

Past misuse of funds and too much talk about money has turned people off to the idea of stewardship.

#### **How to change the perception of stewardship?**

**1. Explain the true meaning of a good steward**

- Manages of all the gifts God has given faithfully.
- Recognizes that everything belongs to God.
- Manages the gifts God gives.

**2. Define a cheerful giver**

- Has already been persuaded that everything we have is a gift from God.
- Uses time, talent and treasure to serve God.

**3. Expand the meaning**

- Stewardship is not just about money. We are called to steward everything we have in life, not just money and material things.
- Apply stewardship principles to life, relationships, passions, skills, experiences, salvation, and more.
