

STRENGTHEN AND GROW YOUR MINISTRY

LCEF MINISTRY MOMENTS VIDEO SERIES

Preparing for Lent #3 – Lent Ideas

Rev. Tom Eggebrecht

LCEF Vice President Ministry Solutions

Lent is a special season of the church year for Christians to renew their devotion to Jesus and reflect on His life, death, and resurrection.

What new ways can members engage and grow their faith during Lent?

1. Lenten Devotional Engagement

- Ask members to take a picture of a cross they see in their daily lives. Post or publish the photos to share with others.
- Encourage members to read through a Gospel throughout Lent. Provide a daily devotion or questions to guide them.
- Provide a reading plan for a book to work through it during Lent.

2. Lenten Visual Engagement

- Invite all families to help create an art display of a picture of Jesus.
- Create a mosaic of the cross out of pieces contributed by all members.
- Ask artists in the congregation to create an art piece to be displayed for one week of Lent.

3. Lenten Stewardship Engagement

- Use coin holders to help members save money during Lent to put toward a special ministry.
- Encourage members to steward 10 minutes each day for Bible or devotional reading.
- Request that every member use one of their talents to donate to the church during Lent.

4. Lenten Prayer Engagement

- Send emails with prayers found in the Bible for members to pray during Lent.
- Focus each week on a petition of the Lord's Prayer.
- Organize a public prayer walk.
