## LCEF MINISTRY MOMENTS VIDEO SERIES

### **Stewardship #3 – Steward Stories for Leaders**

Rev. Mark Frith

LCEF Vice President Ministry Solutions

God lavishes gifts on us all, from money to talent to life itself.

#### **How to encourage people to faithfully steward God's gifts?**

**1. Share stories from leaders**

- Stories are memorable and inspirational.
- Stories provide personal pictures of God's work in people's lives.
- Leaders can encourage others by sharing examples from their own lives.

**2. Make a purposeful plan**

- Decide when and where to share the stories.
- Create a simple document to guide individuals in developing their stories.
- Frame each person's story as an aspect of the congregation's ministries.
