## LCEF MINISTRY MOMENTS VIDEO SERIES

### **School Ministry #4 – Volunteering in Your Church’s School**

Rev. Tom Eggebrecht

LCEF Vice President Ministry Solutions

A strong connection between the congregation and the school is important to the community and ministry of the church.

#### **How can church members support the school?**

##### **1. Safety**

- First and foremost, protect the children and their families.
- Have a pool of volunteers who have already gone through a background check.
- Set up a booth in the narthex before every school year to set up a background check.
- Publicize the goal number of members you’d like to have ready to volunteer.

##### **2. Volunteers**

- Match a volunteer to an opportunity according to their vocation or ability.
- Get creative with your volunteer needs. Consider new opportunities that volunteers could bring to the school and unique ways in which they can serve.
- Create job descriptions and put them in the church bulletin.
